From the Pixar animated short, Lava

4 strums on each chords except on [] play only 2 strums

INTRO C G7 F [C] G7

VERSE 1

C G7
A long long time ago, there was a volcano
F [C] G7
Living all alone in the middle of the sea
C G7
He sat high above his bay, watching all the couples play
F [C] G7
And wishing that, he had someone too
C G7
And from his lava came this song of hope that he sang
F [C] G7
Out loud, everyday, for years and years

CHORUS

F C G7 C
I have a dream, I hope will come true, That you're here with me, and I'm here with you
F C [F] [G7] C
I wish that the earth, sea and the sky up above, Will send me someone to lava.

BREAK: F G7 C

VERSE 2

C G7
Years of singing all alone, turned his lava into stone
F [C] G7
Until he was on the brink of extinction
C G7
But little did he know that living in the sea below
F [C] G7
Another volcano was listening to his song
C G7
Everyday she heard his tune, her lava grew and grew
F [C] G7
Be-cause, she believed his song was meant for her
C G7
Now she was so ready, to meet him above the sea
F [C] G7
As he sang his song of hope, for the last time
